The ACC-UCM is a flexible mounting solution for small AV components that need to be hidden. The Universal AV Component Mount’s design allows you to attach it directly to the back of a display if a stand is used, to a wall mount, or even directly to drywall. Multiple ACC-UCMs can be stacked (each is 200mm) to accommodate 200, 400, 600 or 800mm VESA® patterns.
