

LogiLink PA0355 mobile device charger Universal White AC Fast charging Indoor

Model: PA0355

Manufacturer: LOGILINK

EAN: 4052792077193

Product Code: 1703884

R1,263

Product information "USB-C GaN charger (PD+QC 3.0), 20 W, white" from LogiLink

The GaN (gallium nitride) technology enables this charging adapter to achieve a significantly higher power density than conventional silicon-based models. This means that it can transfer more energy in less time without overheating. With its USB-C connection, the charging adapter is compatible with a wide range of devices, including smartphones, tablets, laptops and even games consoles. Support for PPS (Programmable Power Supply) ensures that the adapter automatically determines the optimum charging speed for each device. The USB-C GaN charging adapter has several protection
