

Kensington Security Slot Adapter Kit for Ultrabook

Model: K64995WW

Manufacturer: KENSINGTON

EAN: 085896649953

Product Code: 1704018

R822

Ultrabook™ and MacBook Air® laptops are valuable business tools and highly desirable for thieves. But they can pose a real challenge when it comes to security. The fact is some ultra-thin laptops lack a security slot making it impossible to attach a lock and secure it from theft. Fortunately there’s a solution that’s just as slim and sleek as the Ultrabook itself.

The Kensington Security Slot Adapter securely attaches to your Ultrabook and other peripheral devices that do not already have Kensington's built-in security slot. Simply attach the adapter with the included ultra-strong, industrial-strength adhesive and you’re ready to use a laptop lock to protect your investment against theft (lock sold separately). Your Ultrabook is now ultra secure.
