

Lindy 4 Port USB 2.0 Hub

Model: 42986

Manufacturer: LINDY

EAN: 4002888429863

Product Code: 1704048

R767

The Lindy 4 Port USB 2.0 Hub allows the user to connect 4 additional peripherals to a USB Type A equipped computer. Capable of data transfer speeds of up to 480Mbps, the hub is also backwards compatible with USB 1.1 and 1.0.

The hub is powered by the USB Bus, while a DC jack is available to connect an external power supply if multiple devices with high power requirements are connected.

With 'Plug and Play' installation, no drivers are required, therefore this hub can be installed with minimum difficulty, ideal for both professional and first time users.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
