

Equip 119425 HDMI cable 200 m HDMI Type A (Standard) Black

Model: 119425

Manufacturer: EQUIP

EAN: 4015867241240

Product Code: 1704120

R17,529

HDMI 2.1 Active Optic Armored Cables are specialized cables designed to support high-resolution video and audio signals at incredibly fast speeds. They utilize active optical technology, allowing them to transmit 8K video at 60Hz and 4K video at up to 120Hz over longer distances without signal degradation, making them ideal for high-quality home theater setups and professional AV applications.

The armored design provides enhanced protection against physical damage, ensuring durability in various environments. Compatibility with the latest HDMI devices ensures that users can take full advantage of the capabilities offered by modern displays and audio equipment. Overall, HDMI 2.1 Active Optic Armored Cables are an excellent choice for anyone looking to future-proof their AV setup with reliable performance and high-quality transmissions.
