E-DEMIUS 120 gaming desk is a perfectly sized furniture for any space. A compact and reasonable size allows you to easily arrange in a limited space without cramping your style.

Easy Height Control

The 4-memory buttons are for your best preferences in any scenario. With adjustable heights and a clear display, E-DEIMUS 120 presents a superior gaming experience and additional health benefits.

Level Up The Safety

Unlike other electrical desks, COUGAR E-DEIMUS 120 is equipped with 2 covers for preventing careless manner.

Strengthened Desktop for Durability

To support your valuable gaming gears, the desktop of E-DEMIUS 120 is made of medium-density fibreboard(MDF) that is strong, stiff and flat. It is sturdy and durable beyond your imagination.

Build Your Ultimate RGB Gaming Setup

Give your gaming space glorious RGB lighting with the E-DEMIUS 120 gaming desk. The dual-sided RGB lighting comes with various color schemes and modes to make your gaming experience more immersive.
