R689

HDD Cage for selected be quiet! cases

HDD Cage 2 White for all who want to install their HDD professionally, easily, and securely in selected be quiet! cases.

PERFECT MOUNTING

Clever solutions for an easy installation

The HDD Cage 2 White comes with decoupled clips on each side for a vibration-reduced operation of HDDs and up to 2 SSDs. Few screws make installation a breeze. Compatible with Dark Base Pro 901, Dark Base 701 and Shadow Base 800 Series.
