

LogiLink NP0080 wire connector RJ-45 Black

Model: NP0080

Manufacturer: LOGILINK

EAN: 4052792044348

Product Code: 1705954

R716

LogiLink’s NP0080 RJ45 Outdoor Patch Cable Connector provides an excellent protection against harsh environment. The housing with gland coupling mechanism provides increased protection for the connector system against contamination and moisture (IP67 rating). Furthermore, this product offers increased mechanical stability, temperature resistance, vibration immunity and protection against EMI and UV radiation. Existing patch cords can be used.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
