Comfortable Grip across Surfaces

N10's handheld vacuum allows you to transition from carpets to sofas effortlessly, and from mattresses to auto interiors. Plus, it reduces hand fatigue with an ergonomically crafted handle for a comfortable grip.

2 Stain Tools to Clean Beyond Carpets

N10 comes with 2 stain tools, each with low-wear brush bristles that loosen grime without hurting fabrics.

- Standard Stain Brush

Tackles most cleaning needs.

- Multiuse Tool

Conquers tight spaces, including carpeted stairs and sofa inner corners.

Rotate and Go

The cord winder's buckle rotation design makes it easy to pick up and wrap the extended cord without hassle for whole-house cleaning.

Move Less, Clean Further

Unchain your cleaning routine with N10's extended 3.6ft hose and 16.4ft power cord*. Ideal for large homes, effortlessly reach more spaces without moving that carpet cleaner around or changing sockets frequently.

Self-Cleans Hose with One Press

Ditch the post-clean chore of scrubbing hoses. N10's clever self-cleaning tool harnesses the smart cleaner's powerful suction to thoroughly rinse the inside of the hose, minimizing dirt and odor

buildup.

Visible, Simple, and Efficient Cleaning

Dual tanks separate clean and dirty water to avoid re-soiling. Also, large tanks mean fewer water changes*.
With its see-through design, watch dirt disappear in real time. Post-cleaning chores are also made easy by the fully openable tank covers for a no-fuss, no-odor finish.

Store with Ease, Clean with Breeze

Weighing a mere 9.5 lbs makes it easy to lift N10 for frequent room-to-room cleaning. After cleaning, wrap the hose around its compact body for easy storage in any cabinet.
