Dreame Z30 Ultra Cordless Upright Vacuum Cleaner

With the Dreame Z30 Ultra upright vacuum cleaner, vacuuming becomes much faster and easier. The device stands out with its 28,000 Pa suction power, allowing it to handle dust, crumbs, and pet hair in the blink of an eye, while its Omni-Brush features CelesTect™ lighting and is resistant to hair tangles. Another advantage is its long runtime—up to about 90 minutes. What’s more, the vacuum automatically detects the level of dirt in its surroundings and adjusts the suction power accordingly.

Fast and thorough vacuuming thanks to the TurboMotor™

The Z30 Ultra is equipped with an upgraded TurboMotor™, which operates at speeds of up to 150,000 rpm and delivers 28,000 Pa of suction power. This allows it to quickly and effectively remove even stubborn dirt—you’ll easily get rid of dust, crumbs, pet hair, and other debris!

Versatile brush for various surfaces

The Omni-Brush works perfectly on a variety of surfaces—from laminate and tile to carpets. It automatically detects the type of floor and adjusts its rotation speed accordingly to ensure effective cleaning. The adjustable inlet allows for effective suction of even larger particles, and its special design prevents hair from getting tangled. The brush also allows for thorough vacuuming along edges and features built-in CelesTect™ lighting, which has a range of up to 30 cm and a 140° beam angle. Thanks to this, no dirt will escape your notice!

Effective HEPA Filtration

The Dreame Z30 Ultra is an excellent choice for allergy sufferers, parents of young children, and more. It uses a reliable HEPA H14 filter that captures particles as small as approximately 0.1 µm with 99.99% efficiency. It filters out bacteria and viruses with up to 99.9% efficiency! This makes it easy to protect your loved ones' health and ensure good air quality in your home.

Smart Dirt Detection

In Auto mode, the vacuum cleaner detects the size and quantity of dirt particles and then adjusts the suction power accordingly to eliminate them even faster and more effectively. You'll find all the key information about the cleaning process on the built-in LCD screen—just take a quick glance!

Up to 90 minutes of runtime

The vacuum cleaner is equipped with a battery with a capacity of 8 × 3200 mAh, allowing it to run for up to approximately 90 minutes in Eco mode. That's enough to thoroughly vacuum up to 235 m² of floor space on a single charge! The Dreame Z30 Ultra is therefore an excellent choice even for large apartments and homes.

Replaceable brushes included

The set includes several replaceable vacuum brushes to help you keep every nook and cranny clean. The small motorized brush effectively removes dust and other debris from armchairs and beds, while the soft dusting brushes are ideal for delicate surfaces. The multi-purpose brush, on the other hand,

makes it easy to vacuum in crevices and corners—for example, it lets you remove dust and crumbs from the recesses of sofas. You also have access to a tool with a furminator, which will help you groom your pet—it’s especially useful during shedding seasons.

Easy Maintenance and Storage

Select parts of the vacuum cleaner can be washed under running water—this will help them last even longer. Additionally, the set includes a practical docking station that allows you to conveniently charge the device while it’s stored. It also has a compartment for replacement brushes—this feature makes it easy to keep things tidy and organized!

Included in the set
