Model: AHD52

Manufacturer: DREAME

EAN: 6978515251078

Product Code: 1706385

R3,043

Dreame Pocket Ultra hair dryer (white)

The Dreame Pocket Ultra allows you to create a beautiful hairstyle in a matter of moments. It features a compact, foldable design, so it easily fits into your travel bag. It offers Essence Nourishment (hair conditioning), improved air channels for faster drying, a high concentration of negative ions, and an NTC sensor to protect against overheating. There's a choice of 5 operating modes and 2 air speeds to suit different needs, and the whole thing runs extremely quietly - under 60 dB.

Super-fast and safe drying

Equipped with a 110,000 RPM motor, the Dreame Pocket Ultra dryer delivers a powerful airflow to dry short hair in as little as 40 seconds, medium length in about 2 minutes, and long hair in 3-4

minutes. Thanks to optimized air channels and an advanced temperature control system, hair is dried quickly, but without the risk of dryness. A smart NTC sensor monitors the temperature as much as 300 times per second, keeping it below 57°C to protect both hair and scalp.

Styling tailored to your needs

More than just a hair dryer, the Dreame Pocket Ultra is a versatile hair styling tool. Interchangeable tips allow you to tailor the device to different needs. The Unfrizz Barrel tip smooths strands and helps achieve straight, shiny hair or natural waves. The Curling Barrel allows you to create bouncy curls and soft waves, while keeping your hair safe while drying. The Essence Nozzle, on the other hand, introduces nourishing ingredients directly into the air stream, so hair is dried and conditioned at the same time.

Full control and personalization

The Dreame Pocket Ultra offers 5 drying modes and 2 blowing speeds. You can choose a quick hot air drying, a gentle conditioning mode, a cool airflow to fix your hairstyle, or an alternating hot and cold air mode. Intuitive buttons make operation simple and convenient, and the device can be easily adjusted to suit different hair types and user needs.

Nourish and regenerate while drying

The unique Essence Nourishment technology uses capsules with active ingredients that penetrate deep into the hair structure under the influence of air. Camellia extract intensively moisturizes, sea caviar rebuilds damage and natural antioxidants protect against harmful UV rays and pollution. Regular use makes hair up to 107% shinier, 114% stronger and 92% smoother.

Ionization technology for smooth and healthy hair

With a concentration of as many as 300 million negative ions/cm³, Dreame Pocket Ultra effectively neutralizes hair static. The ions close the hair's scales, trapping moisture in the hair and making strands smooth, soft and less prone to frizz.

Quiet operation and convenient use

The advanced noise reduction system makes the dryer run quieter than standard appliances - less than 60 dB, which is equivalent to the sound level in an office. This means you can style your hair at any time without disturbing your household members. It also comes with an elegant travel bag, where you can conveniently store the dryer and all accessories.

Included

- hair dryer
- smoothing nozzle
- styling rollers x2
- storage bag
- essence nozzle
- Dreame Boca essence cartridge
