FANTTIK Slim V10 Apex Cordless Car Vacuum Cleaner

The FANTTIK Slim V10 Apex is a 4-in-1 cordless car vacuum cleaner that combines vacuuming, blowing, inflating, and air extraction from vacuum bags. Equipped with a 120 W brushless motor, it offers two-stage suction power adjustment—10,000 Pa in standard mode and up to 19,000 Pa (45 AW) in maximum mode. Its compact design weighing approximately 521 g, smart digital display, USB-C charging, and a wide range of accessories make it ideal for cleaning car interiors as well as homes, offices, and workshops.

Four functions in one device

The Slim V10 Apex replaces several separate accessories. In addition to effective vacuuming, it allows you to blow dust out of hard-to-reach places, inflate inflatable accessories, and extract air

from vacuum bags. This makes it ideal for cleaning your car, cleaning your computer keyboard, preparing clothes for storage, or inflating mattresses and swim rings.

Powerful motor and two power settings

A 120 W brushless motor ensures high performance. The vacuum cleaner offers two operating modes, allowing you to adjust its performance to the type of debris. Standard mode provides 10,000 Pa of suction power and allows for up to 30 minutes of runtime, while maximum mode reaches 19,000 Pa (45 AW) and runs for up to 15 minutes, effectively removing sand, dust, crumbs, and pet hair.

Lightweight design and easy-to-read display

Its compact body and weight of approximately 521 g make the device comfortable for everyday use and ensure it fits easily in a car’s glove compartment. The built-in smart digital display shows the current battery charge level and indicates the selected operating mode, ensuring that all essential information is always visible.

Extensive set of accessories and easy emptying of the dust bin

The set includes 10 functional cleaning accessories that make it easy to clean crevices, air vents, upholstery, keyboards, and other hard-to-reach areas. The complete set includes 16 accessories, including a flexible hose, a replaceable filter, a USB-C cable, a carrying case, and maintenance tools. The 120-ml dust container can be emptied with the push of a button, which speeds up cleaning and minimizes contact with debris.
