UPERFECT M220T01 22" Portable Monitor

Get more space for work and entertainment with the UPERFECT M220T01 portable monitor. The large, 22-inch QLED screen with QHD resolution (2560 × 1440) delivers detailed images, while 100% sRGB color coverage lets you enjoy rich colors. The matte finish reduces annoying glare, enhancing comfort during everyday use. The monitor also supports HDR technology, offers a 60 Hz refresh rate, and is equipped with two speakers and a range of practical ports.

Clear Image in QHD Resolution

The 22-inch screen with a resolution of 2560 × 1440 pixels provides a large workspace, making it easier to use multiple windows, edit documents, or work with spreadsheets. A pixel density of 133.51 PPI allows for clear display of text, graphics, and fine details. The 16:9 aspect ratio works well for

both everyday tasks and watching movies. What’s more, the wide 178° viewing angles allow for comfortable viewing even from the side, which comes in handy, for example, when reviewing materials or giving presentations together.

QLED Technology and Rich Colors

Thanks to its QLED panel, the UPERFECT M220T01 monitor delivers attractive color reproduction that you’ll appreciate when watching multimedia or working with graphics. With 100% sRGB coverage and 8-bit color depth, it can display up to 16.7 million colors, ensuring that photos, illustrations, and videos look natural and detailed. A 1000:1 contrast ratio ensures clear distinction between light and dark elements, while HDR support further enhances image presentation capabilities. A brightness of 300 cd/m² makes it easy to use the display comfortably during everyday tasks.

A matte screen for greater comfort

Light reflections on the screen can make it difficult to concentrate, especially during long hours of work. That’s why the UPERFECT M220T01 features a matte surface that reduces glare and improves the readability of displayed content. This solution works well when working with text, browsing the web, or watching videos. Additionally, the 60 Hz refresh rate ensures smooth display of everyday content, and the panel’s response time is 20 ms.

Convenient Connectivity for Various Devices

The UPERFECT M220T01 offers a wide selection of ports, allowing you to easily adapt the monitor to your setup. Two full-featured USB-C ports enable the transmission of video and audio, while an additional mini HDMI input provides another option for connecting a signal source. You also have access to a Micro USB-B port with OTG support, which allows you to use a USB flash drive, keyboard, or mouse. Rounding out the features is a 3.5 mm AUX audio output, allowing you to connect external audio equipment. With these features, the monitor works well in a variety of hardware setups.

Slim Design and Flexible Mounting Options

The monitor’s housing is made of ABS plastic and metal, combining practicality with a sturdy build. With dimensions of 491 × 285 × 20 mm, the device offers a large display area while remaining
