GEMBIRD Smart power strip with USB charger and power metering 4 French sockets black

Model: TSL-PS-F4U-02

Manufacturer: GEMBIRD

EAN: 8716309135955

Product Code: 1706660

R1,478

The Gembird TSL-PS-F4U-02 is a smart power strip designed to enhance the management of your electrical devices while promoting energy efficiency. With a power distribution unit that provides up to 3680 W, this strip can easily handle multiple devices simultaneously, ensuring that all your gadgets stay powered. The 1.5 m integrated power cable allows for easy placement and connectivity in various setups, while the thermal protection feature ensures safe operation during use.
This power strip is IoT-compatible and can be controlled through your smart home devices using Wi-Fi technology. Compatible with intelligent assistants like Alexa and Google Assistant, users can manage their power settings through voice commands. Additionally, the Smart Life application enhances user control and connectivity, making it a wise choice for anyone looking to create an efficient, smart home environment. Compliant with multiple standards like RoHS and ISO 9002, the Gembird smart power strip reflects a commitment to quality and safety.
