In 5G, your world becomes a Galaxy. Hyperfast connection means seamless streaming and sharing with your friends and family.

Pure processing power

Time to get to work. Powered with a 5nm Octa-core processor, your Galaxy is built to handle heavy-duty multitasking. RAM Plus reads your usage patterns and provides extra virtual RAM for an additional boost.

Hold on to your memories

With 128GB of internal storage plus support for a microSD card up to 1TB, you've got a whole lot of room for all your precious moments.

Simplicity takes the crown

The Galaxy A53 5G is designed to stand out. With the Ambient Edge blending the camera with the body seamlessly, your Galaxy is entirely beautiful and fully functional with added battery capacity inside a slimmer, matte frame.

A cinematic view of your world

Feast your eyes on vibrant details with the FHD+ Super AMOLED display. With the expansive 6.5-inch Infinity-O Display, enjoy vivid outdoor visibility up to 800 nits[1] while reducing blue light with the Eye Comfort Shield[2].

Awesome screen, super smooth scrolling

Watch anything on your Galaxys 120Hz Super AMOLED display to see how silky smooth is now a viewing experience with less blur, more details and vivid contrast.

Awesome camera, always sharp and steady

The multi-lens camera on the Galaxy A53 5G takes photos to the next level. Get crisper, clearer shots with the 64MP OIS Camera, expand your viewing angle with the Ultra Wide Camera, customise focus with the Depth Camera and get closer to details with the Macro Camera.

Shoot stable video like a pro

Capture your world on-the-go. With OIS, your Galaxy A53 5G records your videos even more smoothly and captures finer details even in low light.

Better shots with AI Image Enhancer

Photo remasters powerful AI automatically enhances your photos so you can upgrade your images right away.

Fun times with Fun mode

Capture your funniest moments with new Snapchat Lenses updated regularly on Fun mode. Browse and try on your favourites, capture your best look and share them with your friends.

Awesome battery, lasts two days[3]

A 5,000mAh (typical)**] battery for more time streaming, sharing, gaming and more. Quickly revive your Galaxy with up to 25W Super Fast Charging and enable adaptive power saving to enhance the overall battery performance.

Now spill, splash and splatter resistant

Rated IP67 for water and dust-resistance, the Galaxy A53 5G stands up to 1.0 meter of freshwater for up to 30 minutes[4] With additional protection from Gorilla Glass 5, your device is now tougher and less prone to scratches.

Immersive sound in the palm of your hand

A spatial experience no longer requires a studio. Immerse yourself in your favourite films, songs and videos with Dolby Atmos enriching each note with incredible detail and clarity.

Protect what matters to you

Built into the phone's hardware and software from the start, Samsung Knox protects your phone from the minute it's turned on. Offering multi-layered security, it defends your most sensitive information from malware and malicious threats.

Simply touch to unlock

Step right in. With the built-in on-screen fingerprint sensor, you can instantly log in to your apps and websites without compromising on security.

Your privacy protected

Keep your personal photos, videos, files, apps and data safe inside Secure Folder with the defense-grade Samsung Knox security platform, which protects your information from any malicious attacks. Add your password or fingerprint so that only you can access your data.

Your Galaxy. Your Way

Own something truly yours. Customise your Galaxy with One UI 4 and give your phone an edgy look to match your vibes. Create a bespoke tool that assists your tasks seamlessly and makes your favourite features readily accessible.

Effortlessly attentive

Buds Auto Switching leads your ears to what you should be focusing on. When you're watching a movie on your tablet, an incoming call to your phone will be transferred seamlessly for you to pick up. Hang up and youre right back where you left off.

Listen together with your Buds
