Festa A Networking Solution Built For Small Business, No IT Required

Festa offers business-class features with consumer-inspired simplicity. Our free cloud-based centralized management is accessible via the Festa app or web, providing essential features for small businesses without the complexity required by larger-scale operations.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Seamless Mesh WiFi — Extend WiFi without Extra Cabling and Switch

Besides, thanks to seamless roaming, enjoy uninterrupted streaming when moving between router and APs.

High-Security and High-Performance VPN

OpenVPN/IPSec/PPTP/L2TP VPN effortlessly establishes secure VPN tunnels for safe internet browsing, communication between branches, or enabling remote work and study from home.
