UNITEK P1230CBK01-EU Smart Charging Station 240W 10x USB-C/A

Model: P1230CBK01-EU

Manufacturer: UNITEK

EAN: 4894160059154

Product Code: 1706946

R2,492

The Unitek uCharge charging station is a versatile power solution designed to meet the charging needs of various devices, including tablets, cellular phones, and notebooks. It provides a power output of 240 W, making it suitable for charging multiple devices simultaneously through its ten output connectors, which include 8 x 24-pin USB-C and 2 x Type-A. The station features a durable polycarbonate construction that ensures long-lasting use while adding to its aesthetic appeal. An LED indicator offers a clear indication of the power status, enhancing user convenience.
