R2,018

Transform your home office with a professional label printer from Brother. The PT-D410 model offers a compact, easy-to-use label printer which prints crisp, laminated labels to help personalise your important files and folders, identify home office equipment and cables and organise your storage boxes. Prints labels up to 18mm in width and compatible with Brother's durable TZe tapes which provide resistance to water, abrasion, chemicals and temperature extremes, so you can be sure your labels will last over time. Supplied as standard, you can create custom labels by adding your own logos, symbols and barcodes using Brother’s own label design software solution - P-touch Editor. Just simply connect your label printer to your PC using the printer's USB connectivity.
