The Mouse-in-a-Box™ EQ is designed for those who value performance without compromising on sustainability. The outer case and buttons are composed of a minimum of 58% post-consumer recycled content*, offering a comfortable rounded shape that caters to both left and right-handed users. The responsive 1000DPI optical sensor and convenient scroll wheel support efficient navigation through long pages. The 1.8m (6') wired USB-A cable ensures reliable connectivity and eliminates the need for batteries. Compatible with Windows 7 or later, macOS and ChromeOS, the Mouse-in-a-Box™ EQ comes with a 3-year limited warranty. * Excludes PCB assembly and cables
