

TP-Link VIGI 5MP Full-Color Turret Network Camera

Model: VIGI C450(4MM)

Manufacturer: TP-LINK

EAN: 4895252503012

Product Code: 1707208

R1,968

All The Colors, All The Time

5MP Full-Color Turret Network Camera

24/7 Stunning Visual Experience

5MP Super-High Definition

Monitor 24-hour clear and colorful details even in pitch dark night. VIGI Full-Color camera provides maximum 5MP resolutions and ensures colorful monitoring with its large-aperture lens, high-sensitivity sensor, and attached supplemental lights.

SmartVid-Smart Video Enhancement

VIGI’s professional technologies process videos to greatly improve their quality that is vital to your monitoring, including WDR, 3D DNR, Smart IR, and Night Vision.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Human & Vehicle Classification

Integrated AI chips support advanced algorithms to distinguish humans and vehicles from other objects. You can flexibly customize alarm rules to match your monitoring needs and receive more accurate event notifications.

Comprehensive AI Detection with Pre-Set Rules Supported

By setting the detection rules in advance, VIGI AI-powered cameras can accurately capture various abnormal events. This will greatly reduce false alarms and cover your specified monitoring needs in different scenarios.

People & Vehicle Analytics

Quickly find people and vehicles of interest using a series of attributes.

People Analytics

Filter people of interest by various attributes, such as gender, hair length, and clothing, allowing you to improve search efficiency.

Vehicle Analytics

Identify and search for vehicles of interest based on vehicle color and type for targeting meaningful events in a short time

Active Defense

Warn potential intruders instantly with sound and light when abnormal events

Two-Way Audio

With voice intercom support, carry two-way conversations while watching your feed from anywhere.

Corridor Mode

Rotate the live image and lens 90° clockwise simultaneously. This way, your image aspect ratio changes from 16:9 to 9:16, helping you monitor long and narrow areas and providing a more natural viewing experience.

Smart Video Coding by H.265+

Compresses the video size without sacrificing video quality, easing the network load and saving disk space.

Flexible Storage

Local storage is available for each method, as well as onboard storage with an SD card slot (up to 256 GB).

Plug & Play with

One Cable

Enjoy simple wiring with PoE connections. Connect your camera with an RJ45 cable, then your power supply and data transmission are all settled.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
