LogiLink EM0004 energy cost meter AC

Model: EM0004

Manufacturer: LOGILINK

EAN: 4052792070064

Product Code: 1709354

R771

Product information "Energy cost meter, 180° rotatable screen, white" from LogiLink

Spot inefficient electrical equipment in your household with the LogiLink energy cost meter. The display shows the energy and load power needed. With inserting your personal power tariff it automatically calculates the cost tariff.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
