LogiLink WZ0063 cable stripper Grey

Model: WZ0063

Manufacturer: LOGILINK

EAN: 4052792065404

Product Code: 1709452

R753

Product information "Cable stripper for fiber, coax and copper cable up to Ø 3.2 mm" from LogiLink Professional

The LogiLink stripper WZ0063 is compact and easy to use. It is ideally suited for stripping cables with an outer diameter of up to 3.2 mm. The cutting depth of the blade can be adjusted. This practical tool is particularly suitable for fiber optic cables, but also for coax, twisted pair and similar cable types.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
