R784

Product information "USB 3.2 Gen2 Type-C cable, C/M 90° to USB-C/F, PD, alu, black/grey, 1 m" from LogiLink

This USB-C 3.2 Gen2 extension cable with Power Delivery supports fast charging and SuperSpeed data transfer. It allows you to easily use your existing USB-C cable for charging and data exchange with your device. The space-saving 90° angled USB-C plug makes it ideal for extending existing cables connected to your external USB devices (e.g. docking stations, converters, hubs, etc.). At the same time, the USB-C socket of the device is protected from frequent plugging and unplugging.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
