LogiLink CC5052S networking cable Grey 2 m Cat6a S/FTP (S-STP) Round

Model: CC5052S

Manufacturer: LOGILINK

EAN: 4052792064018

Product Code: 1709641

R815

Consolidation point patch cable, Cat.6A, S/FTP, grey, 2 m" from LogiLink Professional

LogiLink's new consolidation point cables (CP cables) are perfect for flexible floor distribution, especially if used together with LogiLink's consolidation point boxes (CP boxes). Consolidation points (CPs) are stationary distribution points in false ceilings, underfloor systems or cable ducts. They used as additional flexible connections between the patch panels and the junction boxes. This means that the office cabling can be adapted much more efficiently and flexibly to local needs.
