

LogiLink USB socket adapter, 1x USB-port for Fast Charging, 10.5W

Model: PA0217

Manufacturer: LOGILINK

EAN: 4052792057027

Product Code: 1709811

R748

The Universal Wall USB Charger will help you to charge your USB devices easily: Just plug it in, connect your device via the USB cable and it starts to charge immediately. From now on you do not need to use different cable for charging at a power plug, simply use the matching USB cable and the adapter. Featuring the Fast Charging technology, the adapter can significantly reduce the charging time.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
