LogiLink ACT108 rack accessory Keystone panel

Model: ACT108

Manufacturer: LOGILINK

EAN: 4052792034950

Product Code: 1709822

R769

Product information "10" Keystone panel for 10 jacks" from LogiLink Professional

LogiLink’s 10" Keystone Panel series fits in all standard 10 inch wall mounted racks or enclosures and offers 10 standarized keystone ports (~14.6 mm). This 10 port keystone jack panel allows media to be integrated—mix and match keystone jacks for network, telco or audio/video, no matter if shielded or unshielded, small size, slim type or standard type. All keystone modules can be installed quick and easily thru snap-in technology.
