Simplify your life! The smartphone holder is not only useful, but also super space-saving. Charge your mobile devices with the LogiLink socket adapter and continue to use your normal power outlet. Depending on your preference, the adapter is available in 2 USB variants (PA0247: 2x USB-A, PA0259: 1x USB-A, 1x USB-C). Thus, your smartphone is optimally protected and no longer needs to be placed on the floor when charging due to lack of space.
