

LogiLink NP0098 socket-outlet 2 x RJ-45 Black

Model: NP0098

Manufacturer: LOGILINK

EAN: 4052792046151

Product Code: 1709951

R662

LogiLink’s Inline Couplers are ideally suitable for extending your Ethernet or Telephone patch cord into any room of the house or office. Our Inline Couplers are designed to link two shielded or unshielded patch cables together, or if you need to extend an existing shielded cable run. The LogiLink in-line coupler provides a female-to-female feed-through connection for easy cable hook-up.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
