

ACT 0.15 meters High Quality audio splitter cable 3.5 mm jack male - 2x female

Model: AC3620

Manufacturer: ACT

EAN: 8716065490473

Product Code: 1710672

R815

The ACT AC3620 Audio Splitter splits your audio source with a 3.5mm mini jack to two output devices with mini jack. For example stereo headphones or speakers. This enables you to share your music with others or other devices. The high-quality flexible PVC Audio Splitter has gold-plated connectors. The AC3620 is made of oxygen-free copper (OFC).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
