ACT DA4901 networking cable Black 1 m Cat6a U/FTP (STP)

Model: DA4901

Manufacturer: ACT

EAN: 8716065571721

Product Code: 1710718

R734

CAT6A U/FTP slimline datacenter patch cables are smaller in diameter (3.8mm vs 5.9mm) than regular CAT6A patch cords. The bend radius is smaller compared to standard patch cords. This results in better airflow in the server rack or network cabinet.

The patch cable has a straight RJ45 connector and a 90° angled up RJ45 connector. Ideal for situations where space is limited without compromising the bend radius. For example in network cabinets and behind equipment.

Also available with a 90° angled down, left or right RJ45 connector.

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.
