ACT Black 0.5 m U/FTP CAT6A LSZH Slimline patch cable with RJ45 connectors 90° angled right to straight

Model: DA2900

Manufacturer: ACT

EAN: 8716065571035

Product Code: 1710866

R691

CAT6A U/FTP slimline datacenter patch cables are smaller in diameter (3.8mm vs 5.9mm) than regular CAT6A patch cords. The bend radius is smaller compared to standard patch cords. This results in better airflow in the server rack or network cabinet.

The patch cable has a straight RJ45 connector and a 90° angled right RJ45 connector. Ideal for situations where space is limited without compromising the bend radius. For example in network cabinets and behind equipment.

Also available with a 90° angled up, down or left RJ45 connector.

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.

The ACT U/FTP patch cable has full copper 32AWG wires and 50µ gold-plated RJ45 contacts and complies with international standards.
