ACT USB Type-C female to USB-B 2.0 printer adapter cable 0.2m

ACT USB Type-C female to USB-B 2.0 printer adapter cable 0.2m

Model: AC7462

Manufacturer: ACT

EAN: 8716065571592

Product Code: 1710908

R789

The AC7462 USB Type-C female to USB-B 2.0 adapter cable lets you connect older USB 2.0 B devices to newer USB-C devices. Perfect for connecting a printer, scanner, KVM switch, or external hard disk drive. The maximum data throughput is 480Mbps.

Also USB Type-C 3.0 devices can use this adapter, however the max. speed remains 480Mbps.

This adapter requires a separate USB-C cable (not included). Simply use your existing USB-C cable to complete the connection.
