

LogiLink NK4073 keystone module accessory Cable insert

Model: NK4073

Manufacturer: LOGILINK

EAN: 4052792074086

Product Code: 1713040

R824

Cost-effective 19" distribution panel for max. 24 modules in a slim design. Modules simply snap into the 19" frame without additional mounting hardware. The additional inner plate provides full shielding. This panel is ideal for both shielded and unshielded Keystone modules (max. 17.2 mm wide).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
