

LogiLink NK4028 keystone module

Model: NK4028

Manufacturer: LOGILINK

EAN: 4052792061796

Product Code: 1713376

R1,097

Product information "Cat.6A Keystone Jack UTP AWG22-26, 17.4mm, white/black" from LogiLink Professional

RJ45 Modul für die Übertragung von digitalen und analogen Signalen bis zu LogiLink’s Cat.5e, Cat.6 and Cat.6a UTP type keystone jacks are engineered with PCB technology, phosphor bronze IDC contacts and gold plated prongs. Our keystone jacks were engineered to simplify the termination helping you save time and money with features like easy to read wire labels, universal T568A & T568B wiring, 110 or Krone Punch down and tool-less termination when using the IDC cap.
