Pure processing power

Powered with a 5nm Octa-core processor, your Galaxy is built to handle heavy-duty multitasking. RAM Plus reads your usage patterns and provides extra virtual RAM for an additional boost.

Lots of memory and room for more

With 128GB of internal storage for your photos and videos, plus support for a microSD card up to 1TB, you'll get lots of space to store your precious moments.

Iconically simple

Do more with less. The Galaxy A33 5G is now slimmer and more sophisticated with a matte finish, quality bezels and seamless camera housing with the Ambient Edge.

Dust, drop and splash resistant

Rated IP67 for water and dust resistance, the Galaxy A33 5G stands up to 1.0 meters of freshwater for up to 30 minutes[1] With additional protection from Gorilla Glass 5, your device is now tougher and less prone to scratches.

Awesome screen, spectacularly vivid colour

Expand your view to the 6.4-inch Infinity-U Display on Galaxy A33 5G and see what you've been missing. Even in the bright outdoors, you can experience everything you love in vivid high-definition and true-to-life colour with FHD+ Super AMOLED display technology.

Smooth. Silky smooth

Watch anything on your Galaxy A33 5Gs 90Hz super smooth display to see how silky can be used to describe a viewing experience. Less blur, more details, and vivid contrast flow through for super smooth videos and pictures.

Awesome Camera, capture every detail
