Product information "Gaming mousepad with RGB lighting"

Improve your gaming experience and get a true eye-catcher onto your desk! LogiLink’s RGB gaming mousepad combines a high speed, precise, accurate mouse control with an RGB illumination just like you want it. You can easily switch the LED lighting modes and colors to get deeper into your gaming mood. In addition, the non-slip rubber base ensures a consistent stability on your desk.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
