Model: AA0114

Manufacturer: LOGILINK

EAN: 4052792044294

Product Code: 1713749

R1,113

LogiLink's magnetic air vent mount phone holder is a great solution to keep your mobile device in good view. Just insert the holder into the air vent and either glue the metal plate to the smartphone or clamp it by a protective cover. The magnet will now hold the device and allows you to remove the phone fast and quickly - completely without opening or closing any brackets etc. In addition, the holder rotates 360° degree for a comfortable viewing angles.
