Model: PA0149

Manufacturer: LOGILINK

EAN: 4052792045369

Product Code: 1713872

R1,267

LogiLink’s universal car and truck charger for charging up to four devices with USB compatible power supply. The adapter part fits into the standard port of the cigarette lighter in the car or truck and has two USB ports. The extra distribution hub is clamped to the seat bag and provides two additional USB ports for passengers on the rear seat.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
