

LogiLink LPS104 power cable Black, White 3 m Power plug type F

Model: LPS104

Manufacturer: LOGILINK

EAN: 4052792060843

Product Code: 1713923

R1,295

Your normal power cable isn't long enough? Then try using LogiLink's extension cable and in no time you'll have enough room to plug in your equipment. Due to its cable length of 3m it provides the necessary flexibility when positioning your devices. The LPS104 features an angled safety plug and a straight safety socket with safety shutter. The textile cable is a real eye-catcher, matching the article LPS261.
