"USB car charger, 2x USB-A, 10.5 W, black" from LogiLink

LogiLink's USB universal car and truck charger adapter can operate and charge devices which are USB compatible. The adapter fits into the standard connector for the cigarette lighter in your car or truck. For safety, the adapter has a built-in overcurrent, overvoltage, overtemperature and short circuit protection.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
