Product information "USB 2.0 cable, USB-A/M to Micro-USB + USB-C, white/black, 1.2 m" from LogiLink

The Hi-Speed 2-in-1 data/charging cable from LogiLink is ideal for a wide range of devices: charge mobile devices with Micro USB and/or the USB-C port with up to 5V, 2A, 10W. Thanks to the dual connection option, you only need one cable for the different devices. The cotton braided cable offers maximum durability and flexibility by protecting against wear and damage.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
