

DIGITUS USB M.2 hard disk enclosure SSD external NVMe 40Gbps USB 4.0 aluminum toolfree

Model: DA-71158

Manufacturer: ASSMANN ELECTRONIC

EAN: 4016032497493

Product Code: 1714316

R2,229

The DIGITUS USB-C to USB-C cable is designed to enhance your data transfer capabilities with a 40 Gbps speed. Measuring 25 cm in length, this external storage enclosure is perfect for M.2 solid state drives, providing a toolless experience for easy accessibility. Crafted from aluminum, the enclosure ensures durability while effectively dissipating heat during operations. With a built-in cooling fan and a clear LED indicator, users can monitor performance effortlessly. This solution is compliant with Plug-and-Play standards, making setup straightforward, and it supports up to 8 TB capacity for extensive storage needs. Operable in a wide range of temperatures from 5 °C to 50 °C, it is suitable for various environments, ensuring reliable performance under diverse conditions.
