LogiLink MP0049 mounting kit Stainless steel Stainless steel, Zinc

Model: MP0049

Manufacturer: LOGILINK

EAN: 4052792051667

Product Code: 1715391

R820

These sturdy brackets are perfect for attaching devices to standard DIN rails. This item consists of 2 stainless steel brackets with screw. They are designed to fit perfectly with standard 35 mm rails with a depth of 7.5 mm. The attachment and removal of the brackets is easy. The clip "grabs" the rail at the upper and lower lip of the DIN rail.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
