R7,263

This wide format shipping label printer has a true 4 inch(101.6mm) print width - to offer maximum compatibility with various shipping label software packages. Easily send your products to a Fulfilled By Amazon (FBA) warehouse using the special "PDF Crop Print". Simply print the PDF that contains the multiple barcode labels from your FBA account, and let the driver detect, extract and print each individual label to the QL-1110NWBc automatically. With USB, Ethernet, Wi-Fi and Bluetooth, you can choose to print labels from your PC, Mac, smartphone or tablet, whichever is most convenient. Plus
