setups.

Seamless Alignment and Sharp Focus from any Angle

Quick Focus

Remote, hot-key, or RS232 control snaps the picture into sharp focus in seconds.

Auto Screen Fit

Aligns the image to the screen in three guided steps, removing manual shift and keystone work.

*Note:

Auto Screen Fit supports 16:9, 16:10, 4:3, and 1:1 aspect ratios.
For non-standard aspect ratios, please view the video and adjust via graphic card settings.
Enclosure or screen border requires at least 2 inches of width.

20,000-Hour Lifespan with No Lamp Replacement

Guarantees up to 20,000 hours of maintenance-free operation, saving you money on lamp replacements and maintenance. Take advantage of the consistently impressive brightness for up to 30,000 hours under Eco Mode.
