R1,411

The equip® 245558 3-Outlet Clamp Power Strip with 2 USB ports (1 × USB-C and 1 × USB-A) is a practical and space-saving power solution designed for modern workstations, home offices, and shared workspaces. Featuring a durable aluminum housing and a secure clamp mounting system, it installs easily onto desks or tables without drilling, helping maintain a clean and organized workspace while keeping power within easy reach.

Equipped with 3 x AC outlets, the power strip provides reliable power distribution for laptops, monitors, printers, and other office equipment.

The integrated USB-C and USB-A charging ports allow convenient charging of smartphones, tablets, wireless accessories, and other USB-powered devices without the need for additional adapters. A
