Enhanced inks

Print long-lasting and professional-looking glossy photos with Claria Photo HD Inks. The set of six inks includes grey for superior black and white photos with a smoother tonal gradation, and red for vivid and realistic colours thanks to the wider colour gamut.

Print when and where you want

Printing photos and documents on the go is easy; simply download the free Epson iPrint app2 to print wirelessly from your smart device. The free Epson Creative Print2 app can print photos directly from Facebook, create greeting cards, turn photos into colouring books, and plenty more. You can even print by emailing files to the printer from almost anywhere in the world with Epson Email Print2.

Flexible

Print wirelessly with or without a network using Wi-Fi and Wi-Fi Direct. There is also Ethernet for printing through a wired network. In addition, the auto power on feature activates the printer and automatically opens the output tray when a print job is sent.

Versatile

The front-loading paper tray can be used for paper up to A4, while the rear paper feed is suitable for up to A3+ including thicker media. You can also print A4 double-sided and on suitable CDs and DVDs.
