R3,166

Smart.Secure.Easy.

Always Know Who’s There

2K 5MP Head-to-Toe 180° DFOV

Details matter, and with 2K 5MP clarity, D235 exceeds traditional Full HD resolution with finer details and incredible clarity. Experience the full picture with our 180° ultra-wide field of view, capturing every detail from head to toe in a single sweeping glance.

Flexible Wedges, Flexible Views

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Different wedge choices give users possibilities to make the doorbell suits more placement scenarios. Users can also use these wedges to adjust the views.

Local and Cloud Storage

Save recorded videos on the microSD Card* (up to 512 GB, purchased separately) or use Tapo Care cloud storage services (subscribe separately).

Smart AI Detection and Notification

Smart AI identifies people, pets, vehicles, and packages, notifying users as needed.
