Model: 4160953

Manufacturer: THRUSTMASTER

EAN: 3362934113612

Product Code: 1717373

## R4,294

Take the controls of your aircraft with TCA SKY YOKE, the first PS5-compatible yoke. This all-in-one yoke combines 7 axes, a throttle, trim, and rudder controls for a complete experience without the need for additional equipment. Enjoy the feel of a real aircraft yoke: push or pull the yoke to control your climbs and descents, then rotate it up to 180° to execute smooth, precise turns. Its 24 action buttons keep the essential functions right at your fingertips. Thrustmaster's H.E.A.R.T. magnetic technology and 16-bit resolution ensure precise and consistent control. Thanks to its Plug & Play integration in Microsoft Flight Simulator 2024 and Infinite Flight, it's automatically recognized on PS5, PC, iOS and Android with preconfigured controls. With the Dual Control, connect two TCA SKY YOKE controllers to learn or fly with a partner.
