

TP-Link Tapo Mini Smart Wi-Fi Plug, Energy Monitoring

Model: TAPO P110M

Manufacturer: TP-LINK

EAN: 4895252503982

Product Code: 1718122

R1,312

Keep Track of Your Energy Use

Mini Smart Wi-Fi Plug, Energy Monitoring

Meet Matter

Matter is an industry-unifying connectivity standard that promises seamless communication among IoT devices across smart home platforms. Unleash the full potential of your smart home with Tapo Matter products.

All-Round Compatibility

No longer limited to a specific smart home platform. Integrate your Tapo Matter device into your preferred ecosystems.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Multi-Admin

Control Your Tapo Matter devices via multiple platforms at the same time, or through different accounts on a single platform. Share your smart plug with your family members.

Reliable & Secure

Adopting proven encryption algorithms, Tapo Matter devices communicate with other certified devices in the local area network (LAN), leading to lower latency and increased security.

More Insightful Energy Tracking

Offers more comprehensive insights into home appliances' power consumption with more intuitive and straightforward data visualisations.

Estimate Your Energy Bill

Set your electricity rate (supports single or time-of-use billing) to estimate your energy bills. Use Tapo smart plugs to automatically turn on your power-hungry devices during off-peak periods, lowering your energy bills.

Improved Power Safety

Your connected device will automatically shut off when the power usage exceeds the set threshold, protecting your household's safety.

Schedule

Set schedules to automatically turn on/off your smart plugs according to your daily routine and preferences.

Auto-Off Timer

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Cut off power to the connected device after it is left on for a set time. Works well with curling irons, space heaters, and more, saving energy and reducing fire risks.

Voice Control

Use simple voice commands with Siri®, Alexa, and Google Assistant without leaving your spot.

Remote Control

Manage your connected devices from anywhere with the Tapo app. It’s designed to support your lifestyle and keep your family safe.

Safety First

Has undergone rigorous quality inspections to receive CE and UKCA certification. It uses premium UL94-V0 flame-retardant materials to minimize burn risks.

Set Scenes

Control multiple devices all at once for a customizable scene. Instantly set the perfect ambience for any activity.

Away Mode

Intelligently simulates someone being home by turning the plugged-in device (like a lamp) on and off, making it appear like someone’s home.

Compact Size

Tapo P110M is built smaller to avoid blocking adjacent sockets, making it convenient for daily use.

Enjoy Easy, Friendly Setup

Tapo offers users multiple options to simplify configuration experiences. Use Bluetooth to easily onboard the smart plug with the Tapo app. Users can also set up Tapo P110M by scanning the
